BOCCIA TITANIUM PARTNER RINGS

Modern classics full of lightness and elegance. BOCCIA TITANIUM partner rings are symbols of love, friendship and connectedness. The language of forms is purist and the materials are noble. Superlatively well crafted from pure, subtle shimmering, partly gold-plated or high-gloss polished titanium, and embellished with individually hand-set full-cut diamonds, each pair of partner rings embodies a personal commitment of lasting beauty.

The rings of the title and page 2 can be found on page 18.
